

OUR PROGRAM

Community Service:

The students are involved in serving our community with service projects such as:

- assembling Blessing Bags to donate to a local homeless community
- learning to sew projects that are donated to different ministries in our community

Spiritual Life

- Students at CAES receive interactive Christian studies through Bible classes, Bible studies, Week of Prayers, Friday morning group worships, and more. The spiritual emphasis is given to every aspect of our classroom instruction and enables students to develop needed values as they grow.

Curriculum

- CAES is in the business of creating thinking Christians committed to a faith in Jesus. Our classroom certified teachers are highly qualified and use a variety of approaches to meet students' individual needs. The small class sizes enable our teachers to easily differentiate instructions and create working group activities for optimal learning. Our students also create lasting friendships with their peers, and respect for their caring teachers.

WHY CHOOSE US

The Cicero Adventist Elementary School is operated by the Seventh-day Adventist Church to provide a spiritually oriented education for children. A belief in the existence of the Creator God is fundamental in the philosophy of Seventh-day Adventist schools. We respect His divine authority and recognize His intervention in human affairs. We believe that true education develops the spiritual, mental, and physical powers of each student; preparing them for the joy of service in this life and for the higher joy of service in the life to come. To achieve this goal, we encourage each student to:

- develop a personal relationship with God and his fellow men as stated in Matthew 2:37-39
- master the basic academic skills
- value labor, physical and mental, as the blessing God intended
- cultivate physical fitness, mental ability, and moral purity as the blessing God intended.

The Cicero Adventist Elementary School is operated in harmony with the guidance and direction of the Office of Education, North American Division of the Seventh-day Adventist Church
